

Congratulations on completing your EDGE for Professionals course. Use this reference guide to find tools available to support you on your journey and help maintain your system.

### Alumni Resource Website

Visit <https://www.interworks.com/alumni-support/> to access the alumni resource website. Your password is **livetheedge**

The website contains:

- Registration information for our one-hour, free, virtual Alumni Recharge Sessions. These are held through a Zoom video conferencing platform with a live facilitator where you can touch base with a facilitator to review what is working and where you could use additional support to maintain your EDGE system. Please visit <http://webinar.interworks.com> to view the schedule and register.
- Registration information for our one-hour, free, virtual Mastery Practice Sessions. These are held through a Zoom video conferencing platform with a live facilitator. These micro-learning sessions help support implementation and integration of what's been learned. Topics vary each month. Please visit <http://mastery.interworks.com> to view the schedule and register.
- Downloadable digital version of the EDGE for Professionals workbook.
- Downloadable whitepapers for best practices with other devices (Android, iPad, iPhone, etc.), support programs (Microsoft OneNote), or additional language support (Spanish, Portuguese, French, etc.)
- Step-by-step videos that walk you through re-setting up your EDGE System.
- Downloadable full-page versions of the mind sweep trigger list and Action Verb charts.

### Post-Class Support Emails

Interworks will send you post-class support emails from our marketing system. These emails help reinforce concepts you learned within the program. *\*Please note: Some organizations do not allow these support emails or emails may be blocked by a strong spam filter. Please email [info@interworks.com](mailto:info@interworks.com) for more information and add [team@interworks.com](mailto:team@interworks.com) to your safe senders list.*

### Interworks Blog & Social Media

Visit <https://www.interworks.com/blog/> to access our thought leadership articles and insight. We write original industry articles, post relevant aggregate content, and share desktop wallpaper images, testimonials, and more. Join our [LinkedIn Alumni group](#) for advice, quick tips, and giveaways.

### Expert Assistance

From our facilitators to our finance department, we all live and maintain our EDGE systems. Whether you have a technical question or you've forgotten a step in the EDGE system, we can help! You can reach us at [info@interworks.com](mailto:info@interworks.com) or 512-474-5200. If we are unable to answer your question right away, we can schedule a call for you with one of our facilitators.
