## Interworks Recertified with WBENC

DENVER, CO, November 15, 2020

We are honored to announce that Interworks has been certified for a second year with the Women's Business Enterprise National Council (WBENC). This certification is a highly sought-after and prestigious designation awarded after a meticulous process of interviews, business review, and site inspection to determine qualification.

Our organization shares WBENC's belief that diversity promotes innovation, opens doors, and creates partnerships that fuel the economy. Through Interworks and our Best Year Yet Foundation, we will continue our work to support businesses and nonprofits by supporting the people who power them - with the tools, systems, and other resources needed to help them succeed.
