

Royann Schmidgall

Senior Systems Admin II

Royann is a key member of our organization. As a certified Systems Administrator II, she keeps all of our IT infrastructure running smoothly. She also serves as a client coordinator, supporting our consultants in delivering work with excellence. She is passionate about lifelong learning and continues to seek education and certification in IT systems and applications.

Roy has extensive background in technology, management, and operational consulting. Royann has a bachelor of science in psychology and a masters in healthcare administration. She is a superb problem solver and tackles issues with calm, clarity, and joy. She has a heart of service and is always on-hand to serve our staff and clients.

In her free time, Roy loves spending time with her family and friends, walking her joyful dog Cubby, and crocheting scarves, hats, and mittens that she donates to homeless shelters and other organizations. Royann lives with her husband in Aurora, CO.
